OFFICE OF PETITIONS

In re Application of	:	
J. D. Sheldon Danielson	:	
Application No. 09/642,596	:	ON PETITION
Filed: August 22, 2000	:	
Attorney Docket No. 7023.02.03	:	

This is a decision on the petition under 37 CFR 1.137(b), filed August 23, 2004, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "**Renewed Petition under 37 CFR 1.137(b)**." This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

A review of the application file discloses that petitioner submitted a check for the issue fee in the amount of \$1,280 on December 31, 2002. However, there were insufficient funds in petitioner's account and the check was returned. Accordingly, petitioner must submit a \$50 returned check fee along with the issue fee payment of 1,400 before this application can be revived.

The corrected formal drawing as required by the Notice of Allowability mailed October 2, 2002, was objected to by the Draftsperson under 37 CFR 1.84 or 1.52. This application cannot be revived until acceptable drawings of Figures 1-6 have been submitted. For applicant's convenience, a copy of the notice of draftsperson's patent drawing review dated January 13, 2005, is enclosed.

Further correspondence with respect to this matter should be addressed as follows:
